

The Department of Revenue Tax Division, Releases Drafts of Updated Corporate and Partnership Forms for Tax Year 2014

The Alaska Department of Revenue, Tax Division (DOR) has posted drafts of 2014 forms to its website at: <http://www.tax.alaska.gov/programs/programs/forms/drafts/index.aspx?60380>

These forms will be used for tax years ending on or after December 31, 2014. Please note that the forms will not be finalized until the Internal Revenue Service finalizes the 2014 federal forms.

There are two electronic filing methods for state corporate returns:

- (1) Use Revenue Online located at the following link: online-tax.alaska.gov.
- (2) Joint federal and state filing with the IRS through Modernized E-File (MeF). If you use this filing method, you need to either contact your software provider to see if they have received DOR approval to file a state corporate return using MeF or develop/purchase software that will enable IRS electronic filing.
