<sup>\*</sup> Note: The ARMB's investment consultant, Callan, produces investment returns that are already net of some of these fees. Total external management fees and internal operational costs for FY22 were 11.6 basis points (9.0 from Management Allocation and 2.6 from Operations Allocation) and these fees are not included in Callan's gross return calculations. However, the gross returns are already net of Fees Paid from Investments (26.5 basis points) and performance incentive fees.
