APPENDIX J TO CONTRACT (SCHEDULE M TO AGREEMENT)

AMERICAN EXPRESS PUBLIC SECTOR PROGRAM TERMS

This Schedule sets out additional terms that are applicable if Merchant is eligible for and has elected to accept American Express Cards through the American Express Public Sector Program, currently under development by American Express. The following terms and conditions apply to the American Express Public Sector Program until such time as Elavon updates the Operating Guide to reflect the American Express Public Sector Program terms. In the course of its acceptance of American Express Payment Cards, Merchant agrees to the following terms and conditions:

1. Merchant acknowledges and agrees that for purposes of acceptance of American Express in the United States, the American Express Merchant Operating Guide is incorporated by reference into the Agreement and is available at www.americanexpress.com/merchantopguide. For the purposes of acceptance of American Express in Canada, the American Express Program Merchant Guide is incorporated by reference into the Agreement and is available at www.americanexpress.ca/merchantguide. Merchant will comply with the terms of the American Express Merchant Operating Guide or American Express Program Merchant Guide, as applicable.
2. Except as set forth herein, the terms of this Schedule supplement, rather than displace, the terms of the remainder of the Agreement. To the extent there is any direct conflict between the terms of this Schedule and the Agreement, the terms of this Schedule will govern solely with respect to the Merchant's acceptance of American Express Cards and solely to the extent necessary to resolve the conflict.
3. Merchant authorizes Elavon to submit American Express transactions to, and receive settlement from, American Express on behalf of Merchant.
4. Merchant acknowledges and agrees that (i) Elavon may disclose American Express Transaction Data (which for purposes of this Schedule will have the same definition as "Transaction Data" in the American Express Merchant Operating Guide), Merchant Data (as defined below), and other information about Merchant to American Express, (ii) American Express may use such information to perform its responsibilities in connection with the American Express Public Sector Program, promote the American Express Network, perform analytics and create reports, and for any other lawful business purpose, including marketing purposes and important transactional or relationship communications from American Express, and (iii) American Express may use the information obtained in the application at the time of setup to screen and monitor Merchant in connection with American Express Card marketing and administrative purposes. For purposes of this Schedule, "Merchant Data" means names, postal and email addresses, tax ID numbers, names and social security numbers of the authorized signer of Merchant and similar identifying information about Merchant.
5. To opt into the American Express-related marketing communications, Merchant may contact Elavon as described in the Agreement.
6. Merchant will not assign to any third party any American Express-related payments due to it under the Agreement, and all indebtedness arising from American Express Charges (as defined below) will be for bona fide sales of goods and services (or both) at its locations and free of liens, claims, and encumbrances other than ordinary sales taxes; provided, however, that Merchant may sell and assign future American Express Transaction receivables to Elavon, its affiliates, or any other cash advance funding source that partners with Elavon or its affiliated entities, without consent of American Express.
7. Merchant agrees that American Express will have third party beneficiary rights, but not obligations, to enforce the Agreement against Merchant to the extent applicable to American Express processing. Termination of American Express card acceptance will have no direct or indirect effect on Merchant's rights to accept other card brands. To terminate American Express acceptance, without penalty, Merchant may contact Elavon customer service as described in the Agreement.
8. Without limiting any other rights provided herein, Elavon will have the right to immediately terminate Merchant's acceptance of American Express Cards upon request of American Express or if Merchant breaches any of the requirements herein or the American Express Merchant Operating Guide or American Express Program Merchant
