This Service Description and the Master Agreement are posted at Bank's Commercial Electronic Office® (CEO®) portal. If there is a conflict among the documents comprising the Service Documentation, they will govern in the order listed above. Company's use of the Service confirms Company's receipt of and agreement to be bound by the applicable Service Documentation. If an enhancement to the Service or other change requires a change to this Service Description, Bank will post an updated Service Description on the CEO® portal. When required by applicable law, Bank will notify Company of the update. If Company continues to use the Service after the update takes effect, Company will be deemed to have agreed to the update.

2. Description of Bank's Service. Bank's Service enables Company to have Bank and Bank's affiliates (each an "Affiliate" and unless otherwise specified, along with Bank, collectively "Bank") cash checks drawn on Company's accounts held at other banks.

2.1. Company's Request to Cash Checks. Company requests Bank cash checks each of which: (a) has a face amount equal to or less than the amount separately agreed to by Company and Bank in the Setup Form for the Service ("Setup Form"); (b) purports to be drawn by Company on an account identified on the Setup Form for the Service (each an "Account" and collectively "Accounts") at a drawee bank identified on the Setup Form ("Drawee") (each such check a "Check") whether actually issued by Company or not; and (c) is presented in person by the payee at an office of Bank.

2.2. Check Cashing Procedures. Company authorizes Bank to cash any Check that it does not have actual knowledge bears an unauthorized signature, contains a material alteration, or is otherwise not properly payable so long as Bank has followed its then current check cashing procedures in connection with the cashing of the Check. Bank reserves the right to require Company to consult with Bank with respect to any information concerning Bank that is printed on Company's check stock. **COMPANY UNDERSTANDS THIS SERVICE IS NOT AVAILABLE AT CERTAIN AFFILIATES OR BANK BRANCHES LOCATED IN CERTAIN STATES AS SEPARATELY DISCLOSED TO COMPANY.**

- 3. Fees.** Company agrees to pay Bank a periodic fee for the Service, which fee will be charged whether any Check is cashed during a period and may be changed by Bank from time to time upon prior written notification to Company, in accordance with the Service Documentation. In addition, a per-check check cashing fee may apply. Company agrees to inform its payees in writing that a per-check check cashing fee may apply.
- 4. Termination of Service.** In addition to the termination provisions contained in the Master Agreement, Bank may immediately and without prior notice terminate the Service whenever it has any basis to believe that there will not be sufficient available funds in the Account to pay a Check when presented. The provisions of this Service Description and the other Service Documentation will continue in effect with respect to all Checks cashed by Bank prior to termination of the Service.
- 5. Company's Guarantee of Payment and Obligation of Reimbursement.**

 - 5.1. Guarantee of Check Payment.** Company unconditionally guarantees payment of all Checks even though at the time any particular Check is presented for payment (a) the endorsement of the named payee is unauthorized; (b) the Check was not drawn, issued or authorized by Company; (c) the Drawee has received a valid stop payment order regarding the Check; (d) Company does not have sufficient funds in the Account to cover the Check; (e) the Account has been closed or the Drawee is prohibited from paying Checks drawn against the Account; or (f) the Drawee has knowledge that the Check bears an unauthorized signature, contains a material alteration, or is otherwise not properly payable.
 - 5.2. Obligation of Reimbursement.** If a Check is dishonored or if Bank is obligated to reimburse the Drawee or a collecting bank with respect to a Check, upon written demand accompanied by evidence of such dishonor or reimbursement, Company agrees to promptly reimburse Bank for all resulting loss. Company waives presentment and other notice of dishonor. In addition, Bank has the right to debit or chargeback any account of Company at Bank for any such loss.
- 6. Bank's Limitation of Liability and Company's Agreement to Indemnify Bank.** Bank will have no liability including liability for any consequential, special, punitive or indirect loss or damage which Company, a payee, the Drawee, a collecting bank or any other person may incur or suffer in connection with a Check. Company will indemnify, defend, and save harmless Bank, and each of its directors, officers, employees, and agents (collectively in this section, "Indemnified Persons") from and against all liabilities, losses, damages, claims, obligations, demands, charges, costs, or expenses (including reasonable fees and disbursements of legal counsel and accountants) (collectively, "Losses and Liabilities") awarded against or incurred or suffered by Indemnified Persons arising directly or indirectly from or related to the cashing of any Check by Bank in accordance with this Service Description and/or the breach of any material obligation of Company hereunder.
- 7. Survival.** Sections 4, 5 and 6 of this Service Description survive termination of the Service.

Acceptance of Services

1. Agreement to be Bound by Service Documentation

By signing this Acceptance of Services ("Agreement"), the customer identified on the signature block ("Customer" or "Company") confirms that it has received and agrees to be bound by the Service Documentation for the Treasury Management Services (each, a "Service"). Customer may also be referred to as "Company" in the Service Documentation. "Service Documentation" is defined in Wells Fargo Bank, N.A.'s ("Bank") Master Agreement for Treasury Management Services. Customer's use of any Service, including each Service Customer enrolls in, confirms Customer's receipt of and agreement to be bound by the Service Documentation relating to that Service.

2. Power and Authority of Signer

Customer has granted the person(s) signing this Agreement the authority on Customer's behalf to (i) enter into this Agreement and other agreements with Bank for Services on or after the Effective Date of this Agreement and (ii) amend, terminate or otherwise act on behalf of Customer with respect to this Agreement and the Services.

3. Security Procedures

Unless otherwise agreed, Customer agrees that "Security Procedure" is the applicable security procedure described in the Service Documentation for Customer's Initiation Method for the Service, which Bank will use to verify the authenticity of a Transaction. The term "Initiation Method" refers to the method Bank offers in the product enrollment form ("Set-up Form") or other Service Documentation for delivering Customer's Transaction instructions to Bank with respect to the applicable Service and includes any applicable transmission protocols. The term "Transaction" means (i) any funds transfer or payment instruction (including any communication cancelling or amending an instruction), and (ii) any instruction, data or other information which Bank receives in Customer's name with respect to a funds transfer.

The purpose of the Security Procedure is to verify the authenticity of the Transaction. Bank will not use the Security Procedure to detect an erroneous or duplicate transaction. Customer will be responsible for any erroneous or duplicate transaction Bank receives in Customer's name. Customer agrees to be bound by each Transaction, whether or not authorized by Customer, issued in Customer's name and accepted by Bank in compliance with the Security Procedure for the Service.

4. Commercially Reasonable

Customer acknowledges that it has had an opportunity to review the Security Procedures offered by Bank in the Security Procedure Reference Guide, available on our *Commercial Electronic Office* portal. Customer agrees that each Security Procedure for the Initiation Method Customer has elected in the Set-up Form or other Service Documentation for each of its Services (a) best meets Customer's requirements with regard to the size, type and frequency of its Transactions, and (b) is commercially reasonable.

If Customer has refused to use a standard Security Procedure and elects a non-standard Security Procedure, then Customer expressly agrees that the non-standard Security Procedure(s) Customer has elected better meets Customer's requirements than any standard Security Procedure with regard to the size, type and frequency of Transactions issued by Customer to Bank and is commercially reasonable.

5. Confidentiality of Security Procedure and Authentication devices/passwords

Customer and Bank will preserve the confidentiality of the Security Procedure(s) and any passwords, codes, security devices and related instructions provided by Bank. If one party becomes aware of a breach, or suspects that a breach may occur, it will promptly notify the other party. Customer will maintain effective internal procedures to safeguard against any unauthorized Transaction and warrants that no individual will be allowed to initiate a Transaction without proper supervision and safeguards.

Master Agreement for Treasury Management Services

The Service Documentation described below contains the terms under which Wells Fargo Bank, N.A. and the banks, branches or subsidiaries listed in Appendix X (each, "Bank") provide treasury management services ("Services"). The Bank customer to which the Services will be provided ("Customer") is identified in the Treasury Management Product Enrollment form or other product enrollment form(s) with acceptance of services language acceptable to Bank (e.g., Mandate Letter) (collectively, the "Acceptance").

Bank and Customer agree:

1. **Service Documentation.** The Service Documentation contains the terms governing each Service and includes:
 - 1.1. The Service Description;
 - 1.2. The Acceptance;
 - 1.3. This Master Agreement for Treasury Management Services ("Agreement");
 - 1.4. The account agreement governing the account(s) (each, an "Account") Customer uses in connection with the Service; and
 - 1.5. User Guides, which include Terms of Use, software, software licenses, price schedules, specifications, instructions, and notices.

The documents and individual provisions of the Service Documentation are intended to complement one another, and the Service Documentation as a whole.

This Agreement and Service Descriptions are posted at Bank's *Commercial Electronic Office*[®] (*CEO*[®]) portal. If there is a conflict among the documents comprising the Service Documentation, they will govern in the order listed above. Customer's use of a Service confirms Customer's receipt of and agreement to be bound by the applicable Service Documentation. If an enhancement to a Service or other change requires a change to a Service Description, Bank will post an updated Service Description on the *CEO* portal. When required by Applicable Law (as defined below), Bank will notify Customer of the update. If Customer continues to use the Service after the update takes effect, Customer will be deemed to have agreed to the update.

As used in this Agreement, the term "Applicable Law" means all applicable laws (including common or customary laws), statutes, constitutions, policies, decrees, judgments, treaties, regulations, directives, by-laws, rulings, orders or operating circulars governing the activities of Bank and/or any transaction effected under this Agreement, including, but not limited to, all applicable funds transfer system and clearing and settlement house rules governing the transactions effected under this Agreement.

2. **Services.** Bank and Customer will agree upon the Service(s) to be provided. Each Service in the applicable jurisdiction is subject to the approval by the applicable branch or subsidiary of Bank. Customer may not begin using a Service until Bank has received all required and properly executed forms and Customer has successfully completed any testing or training requirements. To assist in Bank's establishment or maintenance of its limits or other processing arrangements, or to assist in Bank's compliance with Applicable Law, Customer will provide Bank with all such financial and/or other information Bank reasonably requests.
3. **Changes to Services.** Bank may change (or add to) the terms in the Service Documentation at any time if Bank provides reasonable notice to the Customer and the Customer does not object to the change. If Customer continues to use a Service after receiving notice and failing to object, the change becomes effective, and the Customer will be bound by the change. Bank will not increase fees identified in pricing information provided to Customer in Bank's response to Customer's RFP dated August 31, 2018 for the initial five (5) year term of the contract.
4. **Term and Termination.** Unless earlier terminated in accordance with the Service Documentation, this Agreement and each Service will continue in effect until terminated by either party upon 30 days' prior written notice to the other party. Bank may suspend or terminate any Service: (a) following notice to Customer of a breach of any provision of the Service Documentation or any other agreement with Bank, and Customer's failure to cure the breach (if capable of cure) within 15 days of the date of such notice; or (b) without prior notice to Customer if (i) Bank reasonably suspects that an Account associated with a Service has been compromised or otherwise subject to irregular, unauthorized, fraudulent or illegal activity, (ii) Customer is subject to, voluntarily or involuntarily, or any action or step is commenced or any resolution is passed that may result in Customer being subject to any bankruptcy, insolvency, winding up, liquidation, judicial management, receivership, administrative management, reorganization or other similar proceeding in any jurisdiction, (iii) Bank determines in its sole discretion that its continued provision of a Service may place Bank at risk of financial loss or result in an unacceptable credit exposure, (iv) Customer terminates, liquidates, or dissolves its business or disposes of a substantial portion of its assets, (v) Customer fails to timely pay its debts, (vi) Customer initiates any composition with its creditors, (vii) any guaranty of Customer's obligations to Bank is terminated, revoked, or its validity contested by the guarantor, (viii) Bank determines in its sole discretion that a material adverse change has occurred in Customer's ability to perform its obligations under the Service Documentation, or in the ability of a guarantor of Customer's obligations to Bank to perform its obligations under the applicable guaranty agreement, or (ix) the Account necessary to provide a Service is closed. The termination of a Service will not affect Customer's or Bank's rights with respect to transactions occurring before termination. Bank will not be liable to Customer for any losses or damages Customer may incur as a result of any termination of any Service.
5. **Service Fees.** Customer will pay Bank the fees described in the Service Documentation and any taxes applicable to each Service however designated exclusive of taxes based on Bank's net income (and from which Customer is not exempt by law). Bank may debit the Account(s) for any fees not covered by earnings

credits and any taxes that are due, or it may send an invoice to Customer for such amounts, which Customer shall promptly pay. Bank's charges and fees shall be set forth as expressed in Bank's applicable fee schedule for Services used in connection with the Account.

- 6. Confidential Information.** Unless otherwise provided in the Service Documentation, all portions of the User Guides and Terms of Use that the Bank has designated as confidential under AS 36.30.230(a) and agreed to by the procurement officer constitute Bank's or its vendor's confidential information ("Confidential Information"), and Customer will not acquire any ownership interest in or rights to Confidential Information as a result of Customer's use of any Service. Customer will (a) maintain the confidentiality of the Confidential Information; (b) not disclose (or permit its employees or agents to disclose), unless such disclosure is permitted by applicable law or court order; copy, transfer, sublicense or otherwise make any of it available to any person or entity, other than Customer's employees who have a need to use the Confidential Information in connection with the applicable Service; and (c) not decompile, reverse engineer, disassemble, modify, or create derivative works of any Confidential Information. Customer will notify Bank immediately if it knows or suspects that there has been any unauthorized disclosure, possession, use or knowledge (each, an "Unauthorized Use") of any Confidential Information. Customer agrees to take all reasonable steps to safeguard Confidential Information.
- 7. Currency.** When Customer requests or instructions require that Bank convert the amount of a payment order from the currency in which the Account is denominated ("Account Currency") to another currency ("Foreign Currency"), Bank will do so using its applicable rate of exchange in effect at the time on the day Bank executes the payment order. If a financial institution designated to receive the funds does not pay the beneficiary specified in the payment order, and the funds are returned to Bank, Bank will not be liable to Customer for a sum in excess of the amount of the payment order after Bank has converted it from the Foreign Currency to the Account Currency using the applicable rate of exchange in effect at the time on the day Bank confirms the cancellation of the payment order. Bank bears no liability if the rate it uses for a particular transaction, i.e., the "applicable rate," differs from rates offered or reported by Bank or by third parties, or based upon different times of day, amounts, locations or involving different systems, agents or procedures. Currency exchange rates fluctuate over time, based upon market conditions, liquidity and risk. Customer acknowledges and accepts the risks of such fluctuations between the time Customer requests a payment order and the time the payment order is either completed or is unwound due to a cancellation, an amendment, a rejection or a return.
- 8. Liability and Indemnification.**

 - 8.1.** Bank is under no obligation to honor, in whole or in part, any payment order or other instruction that: (a) exceeds the available balance in the Account, unless otherwise provided in the Service Documentation; (b) is not in accordance with the Service Documentation or Bank's applicable policies, procedures or practices as made available to Customer; (c) Bank has reason to believe may not have been duly authorized, should not be honored for its or Customer's protection, or involves funds subject to a hold, dispute, restriction or legal process; or (d) would possibly result in Bank's contravention of any Applicable Law.

- 8.2.** All uses of Services through Customer's ID codes, passwords, token cards, PINs, or passcodes (each, a "Code") will be deemed to be authorized by and binding on Customer, except as provided for in the Service Documentation. Customer's failure to protect Codes may allow an unauthorized party to: (a) use the Services; (b) access Customer's electronic communications and financial data; and (c) send or receive information and communications to Bank. Customer assumes the entire risk of unauthorized use of Codes and unencrypted electronic transmissions.
- 8.3.** Neither Bank nor any software vendor makes any express or implied representations or warranties with respect to the Services or any software used in connection with the Services including without limitation any warranty as to the merchantability or fitness for a particular purpose, other than those expressly set forth in the Service Documentation.
- 8.4.** Customer will promptly furnish written proof of loss to Bank and notify Bank if it becomes aware of any third party claim related to a Service. Customer will cooperate fully (and at its own expense) with Bank in recovering a loss. If Customer is reimbursed by or on behalf of Bank, Bank or its designee will be subrogated to all rights of Customer.
- 8.5.** Except as otherwise provided in the account agreement governing the Account, any claim, action or proceeding against Bank for losses or damages arising from a Service, must be brought within one year from the date of the act or omission.
- 8.6.** Bank will have no liability for failure to perform or delay in performing a Service if the failure or delay is due to circumstances beyond Bank's reasonable control. If Bank determines that any funds transfer or communications network, Internet service provider, or other system(s) it has selected to provide a Service is unavailable, inaccessible or otherwise unsuitable for use by Bank or Customer, Bank may, upon notice to Customer, suspend or discontinue the affected Service.
- 8.7.** Except in the case of Bank's negligence or intentional misconduct, Customer will indemnify and hold Bank, its directors, officers, employees and agents harmless from all losses or damages that arise out of: (a) the performance of a Service in accordance with the Service Documentation including without limitation any warranty Bank is required to make to a third party in connection with a Service; (b) an act or omission of any agent, courier or authorized representative of Customer; and (c) if the Service includes a license or sublicense of any software to Customer, the use or distribution of the software by Customer or any person gaining access to the software through Customer that is inconsistent with the license or sublicense.
- 8.8.** Bank will only be liable to Customer for actual damages incurred as a direct result of Bank's failure to exercise reasonable care in providing the Services. Reasonable care requires only that Bank follow standards that do not vary unreasonably from the general standards followed by similarly situated banks. Bank's policies and procedures are general internal guidelines for Bank's use

and do not establish a higher standard of care for Bank than otherwise established under Applicable Law. A mere clerical error or an honest mistake will not be considered a failure of Bank to perform any of its obligations. Bank's liability to Customer will be limited to an amount not to exceed 10 times Bank fees incurred during the calendar month immediately preceding the calendar month in which such loss or damages were incurred (or, if no Bank fees were incurred in such month, Bank fees incurred in the month in which the losses or damages were incurred).

8.9. Except as expressly provided otherwise in the Service Documentation, neither party to this Agreement nor its respective directors, officers, employees or agents will be liable to the other party for: (a) any special, consequential, incidental (including without limitation court costs and attorneys' fees), indirect, or punitive losses or damages; or (b) business interruption, loss of profits, loss of business, loss of revenue, loss of goodwill, loss of opportunity, loss or injury to reputation or loss of anticipated savings, whether any claim is based on contract or tort, or whether the likelihood of such losses or damages was known to the other party and regardless of the form of the claim or action.

8.10. Where Customer sends payments on behalf of its third party customers, Customer agrees it is solely liable to its customers for any and all losses such customers may suffer. Bank hereby excludes all and any liability of whatever nature (including those losses enumerated in subsection 8.9 of this Agreement) arising out of Customer's relationship with its customer.

9. Governing Law. The Service Documentation shall be governed by: (a) U.S. federal law and (b) the law of the State of Alaska ("Governing Law").

10. Claims. Any claim arising out of or relating to this Account Agreement, or the breach thereof, will be resolved using the procedure described in Alaska Statutes 36.30.620. Any claim not resolved under Alaska Statutes 36.30.620 will be brought in Alaska Superior Court.

11. Jurisdiction. For any proceedings regarding this Agreement (not subject to arbitration in Section 10), Customer and Bank hereby irrevocably submit to the jurisdiction of the courts of the Alaska Superior Court in Juneau, Alaska, over any action or proceeding arising out of or relating to this Agreement and irrevocably agrees that all claims in respect of such action or proceeding may be heard or determined in such courts.

12. Miscellaneous.

12.1 Severability. Any portion of the Service Documentation which is inconsistent with Applicable Law or Governing Law will be deemed modified and applied in a manner consistent therewith, and Bank will incur no liability to Customer as a result of the inconsistency or modification and application to any dispute regarding the Service Documentation. If any portion or provision of the Service Documentation is deemed unenforceable, it will not affect the legality, enforceability or validity of the remaining Service Documentation nor the legality, enforceability or validity of such portion or provision under the law of any other jurisdiction.

- 12.2 Entire Agreement.** The Service Documentation (and any documents referred to therein) together with the State of Alaska standard agreement constitutes and represents the entire agreement between Bank and Customer regarding the Services we provide for all Accounts opened at Bank and supersedes and extinguishes all prior agreements, understandings, representations, warranties and arrangements of any nature (including requests for proposals and other sales material), whether oral or written, between Customer and Bank relating to any such Service (including any other Master Agreement for Treasury Management Services, but excluding the current Commercial Account Agreement or Global Commercial Account Agreement, as applicable).
- 12.3 No Waiver.** Neither the failure nor any delay by Bank in exercising any right, remedy, power or privilege shall be deemed to be a waiver of such right, remedy, power or privilege. No course of dealing or waiver of any right on one occasion will constitute a modification of the Service Documentation or be a waiver of that right on a subsequent occasion.
- 12.4 No Third Party Beneficiaries.** Except as otherwise provided in the Service Documentation, no person or entity other than Customer and Bank will be deemed to be a third party beneficiary under the Service Documentation.
- 12.5 Financial Condition.** Customer will provide Bank promptly upon Bank's request any existing financial statements or other information pertaining to Customer's financial condition or any previously unprepared financial statements which Bank may require Customer to prepare and/or to be audited or reviewed by independent certified public accountants acceptable to Bank.
- 12.6 Customer's Representations and Warranties.** Customer represents and warrants that: (a) it will not use any Service in a manner that could result in a contravention of Applicable Law by Customer or Bank; and (b) if Customer employs an agent in connection with its use of any Service, Customer represents and warrants to Bank that: (i) Customer's governing body has duly authorized the agent and (ii) Customer will exercise appropriate controls to ensure each agent so authorized does not exceed the authority so granted to it.
- 12.7 Customer Communications.** Any communication to Bank regarding Customer's use of a Service from Customer's agent will be deemed to be a communication from Customer, and Customer authorizes Bank to communicate with Customer's agent regarding any such communication or Service.

relationship manager or other manager is located and will address any notice to the attention of such manager.

Bank will be entitled to rely on any notice from Customer that it believes in good faith was authorized by an authorized representative of Customer and, except as expressly stated in another agreement between Customer and Bank, will have no obligation to verify the signature (including an electronic signature). Each party will have a reasonable time after receipt of any notice to act on it

12.9 Survival. Sections 1, 4, 5, 6, 7, 8, 9, 10, 11, and 12 will survive termination of this Agreement.

Yes. We can change the Agreement by adding new terms or conditions, or by modifying or deleting existing ones. We refer to each addition, modification, or deletion to the Agreement as a modification.

Notice of a modification: If we are required to notify you of a modification to the Agreement, we will describe the modification and its effective date by a message in your account statement or by any other appropriate means.

Waiver of a term of the Agreement: If we waive a right related to your account under this Agreement on one or more occasions, it does not mean we are obligated to waive the same right on any other occasion.

How do I consent to the Agreement and any future modifications to the Agreement?

By signing the Agreement or using your account or service, you consent to this Agreement. Continuing to maintain or use the account or service after a modification to the Agreement means that you have consented to the changes.

Can you consent to the Agreement electronically?

Yes. You may consent to the Agreement using your "Electronic Signature", as defined in the Electronic Signatures in Global and National Commerce Act ("ESIGN Act"), and we may accept your Electronic Signature on any other account-related document. Under the ESIGN Act, your Electronic Signature will constitute your original and binding signature. The fact that you sign using your Electronic Signature will not, by itself, be grounds for invalidating the document.

What happens if a term of the Agreement is determined to be invalid?

Any term of the Agreement that is inconsistent with the laws governing your account will be considered to be modified by us and applied in a manner consistent with those laws. Any term of the Agreement that a court of competent jurisdiction determines to be invalid will be modified accordingly. In either case, the modification will not affect the enforceability or validity of the remaining terms of the Agreement.

Who will communicate with you about your account?

We may provide you or an authorized signer with information about your account. When we receive information from an authorized signer, we treat it as a communication from you. You agree to notify us promptly in writing if an authorized signer no longer has authority on your account.

Resolving disputes through arbitration

Arbitration Agreement between you and Wells Fargo

Upon demand of by you or us, any dispute or claim arising from or relating to this Agreement, or the breach thereof, must

be submitted to arbitration administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules, and must be heard before three arbitrators if the amount in dispute is US \$5,000,000 or more or its equivalent in any other currency, and before one arbitrator for amounts less than US \$5,000,000 or its equivalent in any other currency. Arbitration will proceed in a location selected by AAA in the state of the applicable Governing Law, and if there is no such state, the place of arbitration must be New York, NY. The language of the arbitration must be English. Judgment on the award rendered by the arbitrators may be entered in any court having competent jurisdiction. This arbitration requirement does not limit the right of you or us to: (a) exercise self-help remedies, including setoff or (b) obtain provisional or ancillary remedies such as injunctive relief or attachment, before, during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of you or us to submit any dispute to arbitration hereunder, including those arising from the exercise of the actions detailed in (a) and (b) of this subsection.

Can either Wells Fargo or you participate in class or representative actions?

No. Wells Fargo and you agree that the resolution of any dispute arising from the terms of this Agreement will be resolved by a separate arbitration proceeding and will not be consolidated with other disputes or treated as a class. Neither Wells Fargo nor you will be entitled to join or consolidate disputes by or against others as a representative or member of a class, to act in any arbitration in the interests of the general public, or to act as a private attorney general. If any provision related to a class action, class arbitration, private attorney general action, other representative action, joinder, or consolidation is found to be illegal or unenforceable, the entire Arbitration Agreement will be unenforceable.

Important legal information

What laws govern your account?

The laws governing your account include:

- Laws, rules, and regulations of the United States, and
- Laws of the state in which the office that maintains your account is located, without regard to its conflicts of laws principles.

If a different state law applies, we will notify you.

Any funds transfer (including a wire transfer) that is a remittance transfer as defined in Regulation E, Subpart B, will be governed by the laws of the United States and, to the extent applicable, the laws of the state of New York, including New York's version of Article 4A of the Uniform Commercial Code, without regard to its conflict of laws principles.

What are our rules on illegal transactions?

You must not use your account or any relationship you may have with us for any illegal purpose, including "restricted transactions" as defined in the Unlawful Internet Gambling Enforcement Act of 2006 and its implementing regulation, Regulation GG. In our discretion, we may block or otherwise prevent or prohibit those transactions and, further, we may close the account or end our relationship with you.

Are we your fiduciary?

No. Our relationship to you concerning your account is that of a debtor and creditor. There is no fiduciary, quasi-fiduciary, or special relationship between you and us.

Will any person or entity be considered a third party beneficiary under this Agreement?

No. No other person or entity will be considered to be a third party beneficiary under this Agreement.

Can you use our name or refer to our relationship without our consent?

No. You and we will not use each other's name or refer to our relationship in any solicitation, marketing material, advertisement, news release or other written, online or oral communication without specific prior written consent for each such use or release, except that we may use your name as a reference in service proposals if we obtain your prior oral or written approval for such use.

What is the controlling language of our relationship?

English is the controlling language of our relationship with you. If there is a discrepancy between our English-language and translated materials, the English version prevails over the translation.

How will we contact you about your account?

For us to service your account or collect any amount you owe, we may contact you by telephone, text, email, or mail. We are permitted to use any address, telephone number or email address you provide. You agree to provide accurate and current contact information and only give us telephone numbers and email addresses that belong to you.

When you give us a telephone number, you are providing your express consent permitting us (and any party acting on behalf of Wells Fargo) to contact you by calling or texting that telephone number. When we call you, you agree that we may leave prerecorded or artificial voice messages. You also agree that we may use automatic telephone dialing systems in connection with calls or text messages sent to any telephone number you give us, even if it is a mobile phone number or other communication service for which the called party may be charged.

What courts may be used to resolve a dispute?

Wells Fargo and you each agree that any lawsuits, claims, or other proceedings arising from or relating to your account or the Agreement, including the enforcement of the Arbitration Agreement and the entry of judgment on any arbitration award, will be venued exclusively in the state or federal courts in the state whose laws govern your account, without regard to conflict of laws principles.

Statements and other notices relating to your deposit account

How do we make account statements and notices available to you?

We will mail, send electronically, or otherwise make available to you an account statement reflecting your account activity for each statement period. We will do the same with notices. We will send all account statements and notices to the postal or electronic address associated with your account.

Combined account statements: To reduce the number of separate account statements you receive each month, we may combine statements if you have more than one deposit account.

If we provide a combined account statement for your accounts, we consider your first account as your primary account. You will receive your account statement at the address listed for your primary account. Statements for accounts in a combined statement will be delivered according to the delivery preference of the primary account.

When are your account statements and notices considered received?

If there is more than one authorized signer on your account, we may send statements and notices to any one of them (unless you have otherwise instructed us in writing). You assume the risk of loss in the mail.

Mailed account statements: When we mail your account statement or notices, we consider it received by you on the second business day after mailing it.

Electronic delivery of account statements: Account statements will be made available through *Wells Fargo Business Online*[®] Banking or the *Commercial Electronic Office*[®], as applicable, after the end of the statement period. You will be notified by email that the account statement is available for viewing. We consider the account statement to be delivered to you when it is available online.

What happens if your account statement or notices are returned or undeliverable?

Unless otherwise prohibited by the laws governing this Agreement, your account statements or notices will be considered unclaimed or undeliverable if:

- Two or more account statements or notices are returned to us through the mail because of an incorrect address, or
- We notify you electronically that your account statement or notices are available for viewing at *Wells Fargo Business Online*[®] Banking or the *Commercial Electronic Office*[®], as applicable, and we receive email notifications that our message is undeliverable.

In either event, we may:

- Discontinue sending account statements and notices, and
- Destroy account statements and notices returned to us as undeliverable

How can you or Wells Fargo change your address for your account?

Address change requests you make: You can change the postal or email address or other means by which we make your account statements and notices available to you at any time by notifying us of your request by telephone or email. We will act on your request within a reasonable time after we receive it. Unless you instruct otherwise, we may change the postal or email address only for the accounts you specify or for all or some of your other accounts with us.

Address changes we make: We may update your listed address without a request from you if we:

- Receive an address change notice from the U.S. Postal Service,
- Receive information from another party in the business of providing correct address details that your actual address does not match the listed address for your account or card, or
- Identify a need to rely on another address you have provided us.

When are notices you send to us effective?

Any notice from you is effective once we receive it and have a reasonable opportunity to act on it.

What obligations do you have to review account statements and notices and notify us of unauthorized transactions or errors?

You are obligated to:

- Examine your account statement and notices promptly and carefully.
- Notify us promptly of any errors.
- Notify us **within 30 days** after we have made your account statement or notices available to you of any unauthorized transaction on your account. *Note:* If the same person has made two or more unauthorized transactions and you do not notify us of the first one within this 30-day period, we will not be responsible for unauthorized transactions made by the same wrongdoer.

- Notify us **within 6 months** after we have made your account statement or a notice available to you if you identify any endorsements which are unauthorized or missing, or other errors relating to endorsements on your checks.

You can notify us of unauthorized transactions or errors on your account statement by promptly:

- Calling the telephone number listed on your account statement or in notices, or
- Sending us a written report (if instructed by us) as soon as possible, and at least within the specified timeframes.

Funds transfers are subject to different time periods for notification of errors, as described in the "Fund transfer services" part of this Agreement. Common examples of fund transfers are ACH, wire transfers, and *Real-Time Payments (RTP®)*.

What happens if you do not notify us of an unauthorized transaction within the time frames specified above?

If you do not notify us of any unauthorized transaction, error, or claim for a credit or refund within the time frames specified above, your account statement or transaction will be considered correct. We will not be responsible for any unauthorized transaction, error, or claim for transactions included in this statement.

When is a transaction unauthorized?

A check is unauthorized when it is:

- Missing a required signature or you have not otherwise authorized it,
- Forged, or
- Altered (for example, the amount of a check or the payee's name is changed).

What happens when you report an unauthorized transaction?

We investigate any reports of unauthorized activity on your account. After you submit a claim, we may require you to:

- Complete and return the claim form and any other documents we require,
- Notify law enforcement, and
- Cooperate fully with us in our investigation.

We can reverse any credit made to your account resulting from a claim of unauthorized transaction if you do not cooperate fully with us in our investigation or recovery efforts, or we determine the transaction was authorized.

Are you responsible for taking reasonable steps to help prevent fraud on your account?

Yes. You agree to take reasonable steps to ensure the integrity of your account and items drawn on your account or deposited to it. You acknowledge that there is a growing risk of losses resulting from unauthorized items. To help prevent fraud and protect your assets, we recommend that you take these preventive measures:

- Assign responsibilities for your account to multiple individuals. The individuals who reconcile statements for your account should be different from the individuals who issue items drawn on your account.
- Reconcile statements for your account as you receive them; notify us promptly of any problem.
- Contact us promptly if you do not receive the statement for your account when you would normally expect to.
- Watch for checks cashed out of sequence or made out to cash. These are classic red flags for embezzlement.
- Secure your supply of checks at all times. Stolen checks are a common method of fraud.
- Periodically reassign accounting duties, such as reconciling your account or making a deposit.
- Review your transaction activity for unexpected fluctuations. For example, compare the percentage of cash deposits to total deposit size. Most businesses will maintain a constant average. A large fluctuation might indicate fraud.

- Destroy any checks that you do not intend to use.
- Use tamper resistant checks at all times.
- Notify us promptly when an authorized signer's authority ends so that his/her name can be deleted from our records for your account, and any cards that we have issued to him/her or online access can be cancelled.
- Do not sign blank checks.
- Obtain insurance coverage for these risks.

This is not an exhaustive list and there may be additional preventive measures you may take to prevent fraud and protect your account.

Protection against unauthorized items

Does Wells Fargo offer services to help prevent fraud on your account?

Yes. We offer services for your account that provide effective means for controlling the risk from unauthorized items.

Examples of these services include:

- Positive pay, positive pay with payee validation, and reverse positive pay
- ACH fraud filter, and
- Payment authorization service.

In addition, we may recommend you use certain fraud prevention practices to reduce your exposure to fraud. Each of these practices is an "industry best practice." Dual custody is an example of an industry best practice. With dual custody, when one user initiates an action, like a payment or a change in the set-up of a service, the action does not take effect until a second user approves the action using a different computer or mobile device than one used to initiate the action.

What are potential consequences if you do not implement a fraud prevention service or industry best practice Wells Fargo has recommended?

If we have expressly recommended you use a fraud prevention service or industry best practice and you either (a) decide not to implement or use the recommended service or industry best practice, or (b) fail to use in accordance with the applicable service description or our other applicable documentation, then you will be treated as having assumed the risk of any losses that could have been prevented or mitigated by correct use of the recommended service or industry best practice.

Lost or stolen checks; unauthorized items

If any of your unissued checks have been lost or stolen, or if you learn that unauthorized items are being issued on your account, you agree to notify us at once. To the extent that your failure to notify us hampers our ability to prevent loss, we will be relieved of any liability for those items. Upon receipt of any notice from you, we - without any liability to you - will dishonor any item you, or any authorized signer, has indicated is unauthorized and may:

- Close your account and open a new account for you, or
- Pay any item presented for payment on your account, provided you have instructed us to pay that item and given us its number.

If we open a new account for you and you have authorized a third party to automatically make regular deposits to or withdrawals from your account (such as wire or ACH transfers), we will have no liability to you if you do not receive any regularly scheduled deposit or if a regularly scheduled payment is not made for you because you did not notify that third party in a timely fashion of the number of your new account.

When does my account become dormant?

Checking accounts, savings accounts, and time accounts (CDs)

Generally, your account becomes dormant if you do not initiate an account-related activity for:

- 12 months for a checking account,
- 34 months for a savings account, or
- 34 months after the first renewal for a time account.

An account-related activity is determined by the laws governing your account. Examples of account-related activity are depositing or withdrawing funds at a banking location or ATM, or writing a check which is paid from the account.

Automatic transactions (including recurring and one-time), such as pre-authorized transfers, payments and electronic deposits (including direct deposits), set up on the account may not prevent the account from becoming dormant.

What happens to a dormant account?

We put safeguards in place to protect a dormant account which may include restricting the following transactions:

- Transfers by telephone,
- Transfers or payments through *Wells Fargo Business Online*® Banking or the *Commercial Electronic Office*®, and
- Wire transfers (incoming and outgoing).

Normal monthly service and other fees continue to apply (except where prohibited by law).

If you do not initiate an account-related activity on the account within the time period as specified by state unclaimed property laws, your account funds may be transferred to the appropriate state. This transfer is known as "escheat." If your account becomes escheatable, account statements will no longer be available. Your account will be closed. To recover your account funds, you must file a claim with the state.

What are checking subaccounts?

For each checking account you maintain with us, we may establish on your behalf a master account and two subaccounts. All information that is made available to you about your account will be at the master account level. The subaccounts are composed of a savings account and a checking account.

On the first day of each month, we will allocate funds between the two subaccounts as appropriate. Items received by us that are drawn against your master account will be presented for payment against the checking subaccount. Funds will be transferred from the savings subaccount as may be needed to cover checks presented on the checking subaccount. On the sixth transfer from the savings subaccount during a statement period, all of the funds on deposit in the savings subaccount will be transferred to the checking subaccount. If your account earns interest, the use of subaccounts will not affect the interest you earn.

Rights and responsibilities

What responsibilities do you and Wells Fargo have to each other?

You and we are responsible for complying with the Agreement. We exercise ordinary care when we provide services. When

we take a check for processing by automated means, ordinary care does not require us to examine the check. In all other cases, ordinary care requires only that we follow standards that do not vary unreasonably from the general standards followed by similarly situated banks.

Except to the extent we fail to exercise ordinary care or to comply with the Agreement, you agree to indemnify and hold us harmless from all claims, demands, losses, liabilities, judgments, and expenses (including attorney's fees and expenses) arising out of or in any way connected with our performance under the Agreement. You agree this indemnification will survive termination of the Agreement.

In no event will either Wells Fargo or you be liable to the other for any special, consequential, indirect, or punitive damages. The limitation does not apply where the laws governing your account prohibit it.

We will not have any liability to you if your account has non-sufficient available funds to pay your items due to actions we have taken according to the Agreement.

Circumstances beyond your control or ours may arise and make it impossible for us to provide services to you or for you to perform your duties under the Agreement. If this happens, neither Wells Fargo nor you will be in violation of the Agreement.

Are you obligated to pay our fees?

Yes. By continuing to maintain your account you agree to pay our fees according to the pricing information.

Why do we charge a recoupment fee?

We assess the recoupment fee to partially recover insurance premiums we pay to the FDIC for deposit insurance. The amount of the recoupment fee appears on the periodic statement or client analysis statement for your account and is based on the monthly average ledger balance you maintain in your account. The recoupment fee is subject to change by us at any time without notice.

Note: The FDIC charges each insured bank a fee to cover its share of the cost of providing deposit insurance to depositors. The FDIC does not charge a bank's depositors for deposit insurance or require banks to pass the cost of deposit insurance on to their depositors. The FDIC does, however, permit a bank to recoup the cost of deposit insurance from its depositors, so long as the fee the bank charges its depositors does not reveal information that could be used to determine the bank's confidential supervisory ratings or mislead depositors by implying the FDIC is charging the fee.

Is my account subject to a deposit balance fee?

We reserve the right to assess a monthly deposit balance fee on the average positive collected balance in your business and commercial deposit account(s) with us. When we assess the deposit balance fee, the amount of the fee will appear on the periodic statement or client analysis statement for your account(s). The deposit balance fee is subject to change by us at any time without notice.

Are you responsible for paying taxes?

Yes. Fees may be subject to state and local sales taxes, which vary by location, and will be assessed as appropriate. You also agree to pay an amount equal to any other applicable taxes, including backup withholding tax.

How do you pay our fees and expenses?

We are permitted to either directly debit your account or invoice you for our fees, expenses, and taxes incurred in connection with your account and related services. We will debit service fees on the day of each calendar month we separately disclose to you, or if that day is not a business day, on the next business day. If there are non-sufficient funds in your account to cover the debit, we may create an overdraft on your account.

You agree to promptly pay any invoiced amount. We may assess finance charges on any invoiced amounts that are not paid within 45 days of the date of invoice. Finance charges are assessed at a rate of 1.5% per month (18% per annum) or the highest amount permitted by the laws governing this Agreement, whichever is less. Charges for accrued and unpaid interest and previously assessed finance charges will not be included when calculating finance charges. Payments and other reductions of amounts owed will be applied first to that portion of outstanding fees attributable to charges for accrued and unpaid interest and previously assessed finance charges, then to other fees and charges.

If an earnings allowance accrues, do we apply it to your fees and expenses?

Yes. If an earnings allowance accrues on your account, we will periodically apply your accrued earnings allowance to eligible fees and expenses (unless we otherwise indicate in writing). If both an earnings allowance and interest accrue on your account, the interest may be shown as an offset to the earnings allowance on the client analysis statement for your account. If your earnings allowance exceeds your total maintenance and activity fees for the statement cycle for your account, the excess credit is not paid to you, nor is it carried forward to the following statement cycle. We may debit your account (or any other account you maintain with us) or invoice you for any amount by which the fees and expenses exceed the accrued earnings allowance on your account.

Note: Your earnings allowance is calculated by applying the earnings credit rate to the investable balance available in your account. The earnings credit rate is a variable rate that we may change at any time.

May we use the funds in your accounts to cover debts you owe us?

Yes. We have the right to apply funds in your accounts to any debt you owe us. This is known as setoff. When we set off a debt you owe us, we reduce the funds in your accounts by the amount of the debt. We are not required to give you any prior notice to exercise our right of setoff.

A debt includes any amount you owe individually or together with someone else, both now and in the future. It includes any overdrafts and our fees. We may set off for any debt you owe us that is due or past due as allowed by the laws governing your account.

If your account is an unmatured time account, then we may deduct any early withdrawal fee or penalty. This may be due as a result of our having exercised our right of setoff.

If you have a sweep account, you authorize us to redeem your shares in the designated money market fund and apply the proceeds to any amount you owe us. Our right to setoff is in addition to and apart from any other rights under any other security interest you may have granted to us.

Do you grant us a security interest in your accounts with us?

Yes. To ensure you pay us all amounts you owe us under the Agreement (e.g., overdrafts and fees), you grant us a lien on and security interest in each account you maintain with us, including your accounts with any affiliate. By opening and maintaining each account with us, you consent to our asserting our security interest if the laws governing the Agreement require your consent. Our rights under this security interest are in addition to and apart from any other rights under any other security interest you may have granted to us.

Can Wells Fargo benefit from having the use of funds in customers' non-interest bearing accounts?

Yes. We may use these funds to reduce our borrowing from other sources such as the Fed Funds market, or invest them in short-term investments such as our Federal Reserve Account. This benefit may be referred to as spread. It is not possible to quantify the benefit to us that may be attributable to a particular customer's funds. That's because funds from all customers' non-interest earning accounts are aggregated to reduce our borrowing costs and for investment, and our use of funds may vary depending on a number of factors including interest rates, Federal Funds rates, credit risks, and our anticipated funding needs. Our use of funds as described in this paragraph has no effect or impact on your use of and access to funds in your account.

What is the applicable exchange rate?

The applicable exchange rate is the exchange rate we set and use for you when we convert one currency to another currency. It includes a markup over our cost of sourcing the relevant currency. The markup factors include without limitation costs incurred, market risks, and our desired return. The exchange rate we provide to you may be different from exchange rates you see elsewhere. Foreign exchange markets are dynamic and rates fluctuate over time based on market condition, liquidity, and risks. We reserve the right to refuse to process any request for a foreign exchange transaction.

What is FDIC "pass-through" insurance?

FDIC "pass-through" insurance is FDIC insurance that could exceed the standard maximum deposit insurance amount (currently \$250,000 per depositor in the same ownership right and capacity). When you use your account to hold funds on behalf of third parties who are the beneficial owners of the funds, your account may qualify for FDIC pass-through insurance, provided you meet FDIC account titling and recordkeeping requirements. With FDIC pass-through insurance, each beneficial owner's funds held in your account are aggregated with other funds the beneficial owner holds in accounts with us in the same ownership right and capacity. The beneficial owner's aggregated funds are insured by the FDIC up to the standard maximum deposit insurance amount. Examples of holding funds on behalf of third parties include funds you hold as an agent, nominee, guardian, executor, custodian or funds held in some other capacity for the benefit of others.

What are the FDIC's recordkeeping requirements for pass-through FDIC insurance when your account has "transactional features"?

For any account with "transactional features", you agree to provide the FDIC (a) with the required information about the beneficial owners of the funds in your account, (b) in the required format, (c) within 24 hours of our failure. Your account has "transactional features" when funds can be transferred from the account, as detailed in 12 CFR 370.2(j).

What are the consequences if you are unable to provide the FDIC with the necessary data on the beneficial owners of funds in your account in the required format in the specified time frame?

As soon as the FDIC is appointed as our receiver, a hold may be placed on your account so that the FDIC can conduct the deposit insurance determination. This hold will not be released until the FDIC obtains the necessary data to enable it to calculate the deposit insurance. You understand and agree that your failure to provide the necessary data to the FDIC in the required format and in the specified time frame may result in a delay in receipt of insured funds by the beneficial owners of the funds in your account and legal claims against you from the beneficial owners.

Detailed information about the FDIC's requirements for pass-through FDIC insurance coverage are available at the FDIC's website. Notwithstanding other provisions in this Agreement, these three FDIC subsections survive after the FDIC is appointed as our receiver, and the FDIC is considered a third party beneficiary of these subsections.

What are we allowed to do if there is an adverse claim against your account?

An adverse claim occurs when:

- Any person or entity makes a claim against your account funds,
- We believe a conflict exists between or among your authorized signers, or
- We believe a dispute exists over who has account ownership or authority to withdraw funds from your account.

In these situations, we may take any of the following actions without any responsibility to you:

- Continue to rely on the documents we have on file for your account.
- Honor the claim against your account funds if we are satisfied the claim is valid.
- Freeze all or a part of the funds in your account until we believe the dispute is resolved to our satisfaction.
- Close your account and send a check for the available balance in your account payable to you or to you and each person or entity who claimed the funds.
- Pay the funds into an appropriate court.

We also may charge any account you maintain with us for our fees and expenses in taking these actions (including attorney's fees and expenses).

How do we handle legal process?

Legal process includes any levy, garnishment or attachment, tax levy or withholding order, injunction, restraining order, subpoena, search warrant, government agency request for information, forfeiture or seizure, and other legal process relating to your account.

We will accept and act on any legal process we believe to be valid, whether the process is served in person, by mail, by electronic notification, or at any banking location.

If we incur any fees or expenses (including attorney's fees and expenses) due to responding to legal process related to your account, we may charge these costs to any account you maintain with us.

If you carry special insurance for employee fraud or embezzlement, can we require you to file your claim with your insurance company before making any claim against us?

Yes. If you have special insurance for employee fraud or embezzlement, we reserve the right to require you to file your claim with your insurance company before making any claim against us. In that event, we will consider your claim only after we have reviewed your insurance company's decision, and our liability to you, if any, will be reduced by the amount your insurance company pays you.

Are there any minimum balance requirements or other restrictions?

We may impose minimum balance requirements or other restrictions on your account, which we may disclose to you.

Are we allowed to restrict access to your account?

Yes. If we suspect any suspicious, unauthorized, or unlawful activities, we can restrict access to your account and other accounts with us that you maintain or control.

Are we allowed to convert your account without your request?

Yes. We can convert your account to another type of account (by giving you any required notice).

Are we allowed to terminate or suspend a service related to your account?

Yes. We can terminate or suspend specific services (e.g., wire transfers) related to your account without closing your account and without prior notice to you. You can discontinue using a service at any time.

When can we close your account?

- We reserve the right to close your account at any time.
- If we close your account, we may send the remaining balance on deposit in your account by mail or credit it to another account you maintain with us.
- We will not be liable for any loss or damage that may result from not honoring items or recurring payments or withdrawals that are received after your account is closed.
- After your account is closed, you will remain responsible for any negative balance.

When can you close your account?

- You can request to close your account at any time if the account is in good standing (e.g., does not have a negative balance or restrictions such as holds on funds, legal order holds, or court blocks on the account). At the time of your request, we will assist you in withdrawing or transferring any remaining funds, bringing your account balance to zero. Whether you or we close the account, you agree to maintain on deposit in your account sufficient funds (determined in our sole discretion) to cover outstanding items to be paid from your account, charge-backs including returned deposited items, and our fees and expenses.
- All outstanding items need to be processed and posted to your account before you make a request to close. Once the account is closed, items will be returned unpaid.
- Any recurring payments or withdrawals from your account need to be cancelled before you make a request to close (examples include bill payments and direct deposits). Otherwise, they may be returned unpaid.
- We will not be liable for any loss or damage that may result from not honoring items or recurring payments or withdrawals that are received after your account is closed.
- At the time of your request to close:
 - For interest-earning accounts, your funds stop earning interest from the date of your request.
 - The Agreement continues to apply.
- If you have requested closing your account and a positive balance remains, we may send you a check for the remaining balance.
- After your account is closed, you will remain responsible for any negative balance.

Are transactions subject to verification by us?

Yes. All transactions are subject to our verification. This includes cash, items, or other funds offered for deposit for which we have provided a receipt. We do not verify all transactions. We reserve the right to reverse or otherwise adjust, at any time without prior notice to you, any debit or credit we believe we have erroneously made to your account.

Are we required to accept all deposits to your account?

No. We may decline all or part of a deposit, including a cash deposit. Some examples are:

- An item made out to a payee not on your account,
- An item with an endorsement we are unable to verify,
- A check or draft issued on a credit account,
- A very large cash deposit, and
- A non-U.S. item.

When we are unable to verify an endorsement on an item, we can also decline to pay, cash, or send the item for collection. We can require all endorsers to be present and we may require you to deposit the item instead of permitting you to cash it. For non-U.S. items, please see the response to "How do we handle non-U.S. items?". We may require any person wanting to make a cash deposit to provide an acceptable form of identification before we accept the deposit for processing.

Who is responsible to make sure the declared amount of funds offered for deposit is accurate?

It is your responsibility, and we have no obligation to make sure the declared amount of your deposit is accurate. If we find a discrepancy exists between the declared and the actual amount of the funds, we are permitted to debit or credit your account and we may notify you if any adjustments are made. We are also permitted to use the declared amount as the correct amount to be deposited and to not adjust a discrepancy if it is less than our standard adjustment amount. We are permitted to vary our standard adjustment amount from time to time without notice to you and to use different amounts depending on account type.

You may arrange for us to adjust all discrepancies identified during any verification without using our standard adjustment amount by contacting your relationship manager.

What happens if there is an error in the amount of a deposit?

If you notify us of an error in the amount of a deposit shown on your account statement within 30 days after receiving your account statement or it is made available to you, we will review the deposit and make any adjustment we determine is appropriate, subject to any applicable fees. If you do not notify us during this timeframe, we will consider the deposit amount on your statement to be correct. This means that if the actual amount is less than the amount on the statement, the difference will become your property. If the actual amount is more than the amount shown on the statement, the difference will become our property.

Are we allowed to obtain credit reports or other reports about you?

Yes. We can obtain a credit or other report about you to help us determine whether to open or maintain an account. Other reports we can obtain include information from the following: 1) motor vehicle departments, 2) other state agencies, or 3) public records.

Are we required to obtain a tax identification number certification from you?

Yes. U.S. Treasury regulations require us to determine the tax residency of all customers and payees who could receive income that is reportable to the IRS. We accomplish this by obtaining a Form W-9 from all U.S. taxpayers and a type of Form W-8 from all foreign customers.

- For U.S. taxpayers, the Form W-9 is how we document U.S. tax residency and obtain a Taxpayer Identification Number ("TIN") from the primary owner of each account that earns reportable income. Until we have received the Form W-9 and TIN, we are required to apply backup withholding to that income.
- Foreign individuals (also referred to as nonresident aliens) and foreign entities document their tax residency outside the U.S. on the applicable type of Form W-8. That form also allows us to apply the correct withholding rate or exemption to your income earned in the U.S. If you do not provide a valid type of Form W-8, we are required to apply the 30% withholding rate, or in some cases, presume you are an uncertified U.S. taxpayer subject to backup withholding on all income and gross proceeds regardless of whether or not it is U.S. sourced.
- Accounts jointly owned by at least one foreign individual or entity must provide a Form W-8 or Form W-9 for all of the joint owners.

- Foreign individuals provide a Form W-8BEN. Foreign entities that are the beneficial owner of the income provide a Form W-8BEN-E unless they can make a special withholding exemption claim and instead provide either a Form W-8EXP or Form W-8ECI.
- Entities that act as intermediaries or flow-through entities receiving income on behalf of someone else provide a Form W-8IMY. In some cases, that Form W-8IMY must also include a withholding statement that allocates the income to each of the beneficial owners and copies of the tax certification documentation for those underlying beneficial owners.

If you own your account as an individual or sole proprietor, upon your death we must be provided with the estate's or successor's IRS Form W-9 or Form W-8. If these are not provided, we may either refuse to pay interest earned on your account from the date of your death or apply backup withholding on the income earned after the date of your death.

When do we share information about your account with others?

Generally, if we do not have your consent, we will not share information about your account. However, we may share information about your account under the following circumstances:

- To comply with the laws governing this Agreement;
- In connection with examinations by state and federal banking authorities;
- To comply with any legal process, including a subpoena, search warrant, or other order of a government agency or court;
- When we determine that disclosure is necessary or appropriate in order to complete a transaction;
- To verify the existence and condition of your account for a third party, such as a merchant or credit bureau;
- To provide information to your legal representative or successor;
- When reporting the involuntary closure of your account;
- When we conclude that disclosure is necessary to protect you, your account, or our interests;
- To our agents, independent contractors, and other representatives in connection with the servicing or processing of your account or account transactions, account analysis, or similar purposes;
- To our affiliates and affiliated companies; and
- If you give your permission.

How do we protect your data?

We are part of an international business with affiliated companies, employees, and service providers (collectively "Personnel") located in the United States and a number of countries around the world. Any information or data we obtain in connection with or relating to your accounts or services, including personal information (collectively "Data"), may be accessed by Personnel in any of these countries. Any of these Personnel will be subject to the requirements of our information security program, which includes policies to protect Data and limit access to those Personnel with a reasonable business need to know.

Are we allowed to monitor and record our communications with you?

Yes. We can monitor, record, and retain your communications with us at any time without further notice to anyone, unless the laws governing your account require further notice.

Monitored and recorded communications include:

- Telephone conversations,
- Electronic messages,
- Electronic records, or
- Other data transmissions.

Is your wireless operator authorized to provide information to assist in verifying your identity?

Yes. As a part of your account relationship, we may rely on this information to assist in verifying your identity.

You authorize your wireless operator (AT&T, Sprint, T-Mobile, US Cellular, Verizon, or any other branded wireless operator) to use your mobile phone number, name, address, email, network status, customer type, customer role, billing type, mobile device identifiers (IMSI and IMEI) and other subscriber status details, if available, solely to allow verification of your identity and to compare information you have provided to Wells Fargo with your wireless operator's account profile information for the duration of the business relationship.

Checking and savings accounts

What are the requirements for a correct endorsement?

An endorsement is a signature, stamp, or other mark on the back of a check. If you have not endorsed a check that you deposited to your account, we may endorse it for you. We may also send for collection any unendorsed check that is payable to you that you have deposited to your account.

Are we bound by restrictions or notations on checks?

No. We are not bound by restrictions or notations, such as "void after six months," "void over \$50," or "payment in full." When you cash or deposit a check with a notation or restriction, you are responsible for any loss or expense we incur relating to the notation or restriction.

What is a substitute check?

A substitute check is created from an original check; under federal law, it is legally equivalent to that original check. A substitute check contains an accurate copy of the front and back of the original check and bears the legend: "This is a legal copy of your check." You can use it the same way you would use the original check. As noted in the legend, a substitute check is the same as the original check for all purposes, including proving that you made a payment. Any check you issue or deposit that is returned to you may be returned in the form of a substitute check. You agree that you will not transfer a substitute check to us, by deposit or otherwise, if we would be the first financial institution to take the substitute check, unless we have expressly agreed in writing to take it.

What happens if you breach a warranty associated with an item?

If you breach any warranty you make to us under the laws governing your account with respect to any item, you will not be released or discharged from any liability for the breach so long as we notify you of the breach within 120 days after we learn of the breach. If we fail to notify you within this 120 day period, you will be released from liability and discharged only to the extent our failure to notify you within this time period caused a loss to you.

How do we handle non-U.S. items?

A non-U.S. item is an item 1) payable in a currency other than U.S. dollars or 2) drawn on a financial institution that is not organized under U.S. law. We are not required to accept a non-U.S. item for deposit to your account or for collection. We may accept non-U.S. items on a collection basis without your specific instruction to do so. We can reverse any amount we have credited to your account and send the item on a collection basis even if we have taken physical possession of the item.

If we accept a non-U.S. item, the U.S. dollar amount you receive for it will be determined by our applicable exchange rate

that is in effect at the time of deposit or our receipt of final payment (less any associated fees) of the collection item. If the non-U.S. deposited item is returned unpaid for any reason, we will charge the amount against your account (or any other account you maintain with us) at the applicable exchange rate in effect at the time of the return. For information on the applicable exchange rate, see "What is the applicable exchange rate?" in the "Rights and responsibilities" section of this Agreement.

Our funds availability policy does not apply to a non-U.S. item.

What is our responsibility for collecting a deposited item?

We are responsible for exercising ordinary care when collecting a deposited item. We will not be responsible for the lack of care of any other bank involved in the collection or return of a deposited item, or for an item lost in collection or return.

What happens if we send an item for collection?

We may, upon notice to you, send an item for collection instead of treating it as a deposit. This means that we send the item to the issuer's bank for payment. Your account will not be credited for the item until we receive payment for it.

Our funds availability policy does not apply to an item we accept for collection.

What happens when a deposited or cashed item is returned unpaid?

We can deduct the amount of the deposited or cashed item from your account (or any other account you maintain with us). We can do this when we are notified that the item will be returned. We do not need to receive the actual item (and usually do not receive it). We can do this even if you have withdrawn the funds and the balance in your account is not sufficient to cover the amount we hold or deduct and your account becomes overdrawn. In addition, we will charge you all applicable fees and reverse all interest accrued on the item.

We may place a hold on or charge your account for any check or other item deposited into your account if a claim is made or we otherwise have reason to believe the check or other item was altered, forged, unauthorized, has a missing signature, a missing or forged endorsement, or should not have been paid, or may not be paid, or for any other reason. When the claim is finally resolved, we will either release the hold or deduct the amount of the item from your account. We are not legally responsible if we take or fail to take any action to recover payment of a returned deposited item.

What happens when an electronic payment is reversed?

We may deduct the amount of an electronic payment credited to your account (e.g., direct deposit) that is reversed. We can deduct the amount from any account you have with us at any time without notifying you. You agree to promptly repay any overdrafts resulting from the reversed payment.

Are you responsible for assisting in reconstructing a lost or destroyed deposited item?

If a deposited item is lost or destroyed during processing or collection, you agree to provide all reasonable assistance to help us reconstruct the item.

Electronic check indemnifications

What warranties do we provide for electronic checks and electronic returned checks?

An "electronic check" and an "electronic returned check" mean an electronic image of, and electronic information derived from, a paper check or a paper returned check. When we transfer or present an electronic check or electronic returned

check, we provide the following warranties:

- **Image Quality Warranty:** We guarantee that the electronic image of a check accurately represents all of the information on the front of the check as of the time that the original check is truncated, and the electronic information includes an accurate record of all MICR line information required for a substitute check and the amount of a check.
- **No Double Debit Warranty:** We guarantee that the warrantee will not receive a presentment of or otherwise be charged for an electronic check, an electronic returned check, the original check, a substitute check, or a paper or electronic representation of a paper substitute check, in a way that the warrantee will be asked to make payment on a check that it has already paid.

When we transfer an electronic check for collection or payment, we make the image quality warranty and the no double debit warranty to the transferee bank, any subsequent collecting bank, the paying bank, and the drawer. When we transfer an electronic returned check for return, we make the image quality warranty and the no double debit warranty to the transferee returning bank, the depository bank, and the owner.

What indemnities are applicable to electronic checks and electronic returned checks?

You will indemnify, defend, and hold us harmless from and against all liabilities, damages, claims, obligations, demands, charges, costs, or expenses (including reasonable fees and disbursements of legal counsel and accountants) awarded against or incurred or suffered (collectively, "losses and liabilities") by us arising directly or indirectly from or related to the transfer or return of an electronic check or an electronic returned check on your behalf. If we suffer any losses or liabilities arising directly or indirectly from or related to a breach of either the image quality warranty or the no double debit warranty, you will reimburse us and not hold us responsible or liable.

What indemnities are applicable to remote deposit capture services?

By providing the remote deposit capture service to you, we are required to indemnify and reimburse a depository bank that accepts the original check from which an electronic check is created for losses incurred by that depository bank if the loss is due to the check having already been paid. If we suffer any losses or liabilities arising directly or indirectly from or related to that type of depository bank indemnity obligation, you will indemnify and reimburse us and not hold us responsible or liable.

What indemnities are applicable to electronically created items?

If we transfer or present an "electronically created item" and receive settlement or other consideration for it, we are required to indemnify and reimburse each transferee bank, any subsequent collecting bank, the paying bank, and any subsequent returning bank against losses that result from the fact that:

- The electronic image or electronic information of the electronically created item is not derived from a paper check;
- The person on whose account the electronically created item is drawn did not authorize the issuance of the electronically created item or to the payee stated on the item; or
- A person receives a transfer, presentment, or return of, or otherwise is charged for an electronically created item in such a way that the person is asked to make payment based on an item or check it has paid.

If we suffer any losses or liabilities arising directly or indirectly from or related to that type of electronically created item indemnity obligation, you will indemnify and reimburse us and not hold us responsible or liable.

Funds availability policy

When can you withdraw funds?

Our funds availability policy is to make funds from your checking deposit available to you on the first business day after the day we receive your deposits.

Funds from the deposits listed below are available on the first business day after the day of your deposits, if you make the deposit in-person to one of our employees or agents and you use a special deposit slip we provide:

- State and local government checks that are payable to your company.
- Cashier's, certified, and teller's checks that are payable to your company where we are not the issuer or drawee.

While we generally make funds from your check deposits available to you on the first business day after the day we receive the deposits, our policy makes funds available according to an availability schedule or schedules we provide or make available to you, subject to, among other things, the location of the deposit transaction or the manner in which the deposit is made.

Our funds availability policy relating to other types of deposits is described below. If we delay the availability of a deposit, the length of the delay varies depending on the type of deposit as explained below.

Once they are available, you can withdraw the funds in cash. We will use the funds to pay checks and other items presented for payment and applicable fees that you have incurred.

When is your deposit considered received?

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before our established cutoff time on a business day that we are open, we will consider that day to be the day your deposit is received by us. For deposits granted same calendar day availability as described below, the calendar day you make the deposit will be considered the day of deposit. For all other deposits, if you make a deposit after our cutoff time or on a day we are not open, we will consider the day your deposit is received by us to be the next business day we are open.

Our established cutoff time is when a branch closes for business and may vary by location. The cutoff time for checks deposited at a Wells Fargo ATM is 9:00 p.m. local time (8:00 p.m. in Alaska).

Any deposits placed in a "night depository" before the established deadline on a business day we are open will be credited to your account by the close of business that day. Deposits placed in the "night depository" after the established deadline will be credited to your account by the close of the next business day we are open.

Same business day availability

The following deposits will be available on the business day we receive the deposit:

- Incoming wire transfers.
- Electronic direct deposits.
- Cash deposited at a teller window.
- Checks drawn on us.

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day we receive your deposit. For example, if we receive your mailed deposit on Monday, the funds will be available on Wednesday.

Longer delays may apply

In some cases, we will not make all the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check you deposit, funds may not be available until the second or third business day after the day of your deposit. The first \$225 of your deposit, however, may be available on the first business day after the day of your deposit.

Except as otherwise explained in this paragraph, if we are not going to make all funds from your deposit available on the business day of deposit or the first business day after the day of deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to a Wells Fargo employee, or if we decide to take this action after you have left the premises, we will mail you the notice by the first business day after we receive your deposit.

If you need the funds from a deposit right away, you may ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last 6 months.
- There is an emergency, such as a failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. The funds will generally be available no later than the seventh business day after the day of your deposit.

Holds on other funds (check cashing)

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cash would have been available if you had deposited it.

Holds on other funds (other account)

If we accept a check for deposit that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your ability to withdraw a corresponding amount of funds that you have on deposit in another account with us.

The funds in the other account would then not be available until the time periods that are described in this policy.

Available balance, posting order, and overdrafts

How do we determine your account's available balance?

Your account's available balance is our most current record of the amount of money in your account available for your use or withdrawal. We use the available balance to authorize your transactions during the day. We also use the available balance to pay your transactions in our nightly processing. We calculate your available balance as follows:

- We start with the ending daily account balance from our prior business day nightly processing that includes all transactions deposited to or paid from your account.
- We subtract from this amount any holds placed on a deposit to your account and any holds placed due to legal process.

- We add pending deposits that are immediately available for your use.
- We subtract pending withdrawals that we have either authorized or are known to us but have not yet processed.

Important note: We may place a hold on your account if we receive an electronic notice that an item will be presented for payment or collection against your account (Notice of Presentment). This hold may remain in effect from the time the Notice of Presentment is received until the item is presented or notice is received that the item will not be presented, whichever occurs first. We may conclusively rely on the information we receive in an electronic presentment or notification when determining the available balance in your account. We will not have any liability for refusing to honor any of your items because of insufficient funds, even if the electronic presentment or notification incorrectly describes the item, including its amount. We may debit your account on the day an item is presented by any means, including electronically, or at an earlier time based on a notification received by us that an item drawn on your account will be presented for payment or collection. A determination of the balance in your account for purposes of making a decision about whether not to honor an item due to insufficiency or unavailability of funds may be made at any time between the presentment of the item (or earlier upon receipt of any Notice of Presentment) and the time the item is returned. Only one such determination needs to be made.

How do we process (post) transactions to your account?

We process transactions each business day during a late night process. Once we process your transaction, the results are posted to your account. There are three key steps to this process. The most common types of transactions are processed as described below.

First, we determine the available balance in your account (as described above) that can be used to pay your transactions.

Note: Certain pending transactions can affect your available balance:

- Cash deposits or transfers from another Wells Fargo account that are made **after** the displayed cutoff time (where the deposit was made) will be added to your available balance if they are made before we start our nightly process.
- Your available balance will be reduced by pending withdrawals, such as electronic transactions we have authorized and are required to pay when they are sent to us for payment. These pending withdrawals may be sent to us for payment at a later date. In some circumstances, these transactions may be paid into overdraft if other posted transactions or fees have reduced your balance before the pending transactions are presented for payment.

Then, we sort your transactions into categories before we process them.

- First, we credit your account for deposits, including cash, check deposits and incoming transfers, received before the cutoff time at the location the deposit or transfer was made.
- Then, we process withdrawals/payments we have previously authorized and cannot return unpaid, such as ATM withdrawals, account transfers, Online Bill Pay transactions, and teller-cashed checks. If we receive more than one of these transactions for payment from your account, we will generally sort and pay them based on the date and time you conducted the transactions. For some transactions, such as Online Bill Pay transactions or teller-cashed checks, the time may be assigned by our systems and may vary from the time it was conducted. Multiple transactions that have the same time will be sorted and paid from highest to lowest dollar amount.
- Finally, we use your remaining funds to pay your checks and preauthorized automatic ACH payments (such as bills you pay by authorizing a third party to withdraw funds directly from your account). If there is more than one of these types of transactions, they will be sorted by the date and time that they are received by us. Multiple transactions that have the same time will be sorted and paid from highest to lowest dollar amount.

How do we handle overdrafts?

At our discretion, we are permitted to pay items into overdraft rather than returning them unpaid.

You agree to pay the applicable fee associated with an overdraft or returned item. Any overdraft on your account is

immediately due and payable, unless we agree otherwise in writing. You agree to reimburse us for any attorneys' fees and other costs and expenses we incur in recovering the overdraft (including overdraft and associated fees).

On any business day when we determine there are sufficient funds in your account to pay one or more but not all of the items presented for payment on your account, the order in which we post these items may affect the number of items paid and the overdraft and returned item fees that are assessed. When we post items in the order of highest to lowest dollar amount, the overdraft and returned item fees may be more than these fees would be if we were to post the items in the order of lowest to highest dollar amount.

Additional rules for checks and withdrawals

What identification do we request to cash items presented over the counter by a non-customer?

For these transactions, we require acceptable identification, which can include a fingerprint from the person presenting your item. We may not honor the item if the person refuses to provide us with requested identification.

Are there special rules if you want to make a large cash withdrawal or deposit?

We may place reasonable restrictions on a large cash withdrawal. These restrictions include requiring you to provide five business days' advance notice to ensure we have sufficient cash on hand. We do not have any obligation to provide security if you make a large cash withdrawal. If you want to deposit cash for a very large amount, we have the right to require you to provide adequate security or exercise other options to mitigate possible risks.

Can you perform transactions at an affiliate?

Yes. You may make deposits to and withdrawals from your account at an affiliate, provided the affiliate agrees. If you make a deposit to your account at an affiliate, that affiliate's collection schedule and funds availability policy will determine when the deposited funds will be considered collected and available. If an affiliate cashes an item for you, we may place a hold on your account for a corresponding amount of funds. If the item is later returned to the affiliate for any reason, we may debit one or more of your accounts for the amount of the item.

Are we responsible for reviewing checks for multiple signatures?

No. We are not responsible for reviewing the number of signatures on your account. We do not accept any duty to enforce multiple signature requirements. If you indicate that more than one signature is required, this indication is for your own internal procedures and is not binding on us.

Are we required to honor dates and special instructions written on checks?

No. We may, without inquiry or liability, pay a check even if it:

- Has special written instructions indicating we should refuse payment (e.g., "void after 30 days" or "void over \$100");
- Is stale-dated (i.e., the check's date is more than 6 months in the past), even if we are aware of the check's date;
- Is post-dated (i.e., the check's date is in the future); or
- Is not dated.

We may also pay the amount encoded on your check in U.S. dollars, even if you wrote the check in a foreign currency or made a notation on the check's face to pay it in a foreign currency. The encoded amount is in the line along the bottom edge of the front of the check where the account number is printed.

Can you use a facsimile or mechanical signature?

Yes. If you use a facsimile or mechanical signature (including a stamp), any item appearing to use your facsimile or mechanical signature will be treated as if you had actually signed it.

Are we liable for paying a consumer ACH debit entry on your account?

No. Under the ACH operating rules, certain types of ACH debit entries may only be presented on a consumer account ("a consumer ACH debit entry"). We will have no obligation to pay, and no liability for paying, any consumer ACH debit entry on your account.

What is the acceptable form for your checks?

Your checks must meet our standards, including paper stock, dimensions, and other industry standards. Your checks must include our name and address, as provided by us. Certain check features, such as security features, may impair the quality of a check image that we or a third party create.

We reserve the right to refuse checks that do not meet these standards or cannot be processed or imaged using our equipment. We are not responsible for losses that result from your failure to follow our check standards.

How do you reorder checks?

You can reorder checks by mailing the reorder form enclosed in your current order of checks or by calling us at the telephone number shown on your account statement. If you or a third party prints its items, we shall have no liability to you if we are unable to process these checks by automated means.

How do you stop payment on a check?

You may request a stop payment on your check in a time and manner allowing us a reasonable opportunity to act on it before we pay, cash, or otherwise become obligated to pay your check.

Each stop payment order is subject to our verification that we have not already paid or otherwise become obligated to pay the check from your account. This verification may occur after we accept your stop payment order.

In order to issue a stop payment order on a check, we request the following information:

- Your bank account number,
- The check number or range of numbers,
- The check amount or amounts,
- The payees' names, and
- The date on the check.

We are not responsible for stopping payment on a check if you provide incorrect or incomplete information about the check. We are also not responsible if we do not pay a check for which a valid stop payment order is in effect.

What is the effective period for a stop payment order?

A stop payment order on an item is valid for 6 months. We may pay a check once a stop payment order expires. If you do not have our STOP AUTO-RENEWAL Service on your account, you must place a new stop payment order if you do not want it to expire. We treat each renewal as a new stop payment order. We will charge you for each stop payment order you place (as well as each renewal).

If you have our STOP AUTO-RENEWAL Service on your account, your stop payment order renews annually for up to six 12- month periods, unless you otherwise notify us in writing.

How do you cancel a stop payment order?

To cancel a stop payment order, we must receive your request in a time and manner allowing us a reasonable opportunity to act on it.

Are you still responsible if we accept a stop payment on a check?

Yes. Even if we return a check unpaid due to a stop payment order, you may still be liable to the holder (e.g., a check cashing business) of the check, and potentially additional amounts that the holder may be due under the laws governing this Agreement.

How can you prevent a post-dated item from being paid before its due date?

A post-dated item is an item you issue with a date in the future. We are not responsible for waiting to honor the item until that date, unless you instruct us to do so through the use of a stop payment order for the item. You are responsible for notifying us to cancel the stop payment order when you are ready to have that item paid.

How do you stop payment for preauthorized electronic fund transfers?

For information on placing a stop payment order on an ACH debit entry, please refer to "Fund transfer services" In the "Electronic banking services" section of this Agreement.

Your account ownership

Can you assign ownership of your account?

No. No assignment of your account will be valid or binding on us, and we will not be considered to have knowledge of it, until we consent and the assignment is noted in our records. However, by noting the assignment, we do not have any responsibility to assure that the assignment is valid. Any permitted assignment of your account is subject to our setoff rights.

What if an owner does not sign account documentation?

If a customer identified in our records as an owner or a co-owner of an account does not sign the account application or other account-related documentation, it does not prevent us from treating the customer as an owner or a co-owner of that account; we are not liable to anyone as a result.

Are all joint owners responsible for liabilities on your account?

Yes. All joint owners are each individually and jointly responsible for any overdraft on your account, regardless of who caused or benefited from the overdraft. If there is a setoff, an enforcement of our security interest in your account, or legal action (such as a third party garnishment, seizure, forfeiture, or tax levy) affecting any co-owner, we have the right to treat all funds in the account as belonging to the customer against whom the setoff, enforcement of the security interest, or other legal action is directed. If your account is closed for unsatisfactory handling, we may report all joint owners to the consumer reporting agencies.

What happens upon death or incompetence of an authorized signer or account owner?

Please notify us promptly if you learn or suspect an account owner or signer has been declared incompetent by a court or a legal authority, or has died. When we receive proper notice, we may:

- Freeze the account until we receive documents verifying the incapacity or death and instructions for the funds remaining in the account,
- Pay (without inquiring) any item authorized by the account owner before being declared incompetent or dying,
- Return or reverse deposits made to the account, and
- Apply funds in the account to any debt the account owner owes us before recognizing the rights to any remaining funds of a surviving joint owner or other person.

If we are liable for taxes because we released funds in an account after the account owner's death, the account owner's estate is responsible for reimbursing us for those taxes.

Upon notifying us of the death or incompetence of a business owner, the business entity will need to provide documentation evidencing any change in the ownership or control of the entity following applicable legal formalities.

Interest earning accounts

What interest rate applies to an interest earning account?

When you open an interest earning account, we will provide you with the current interest rate and Annual Percentage Yield (APY) for your account. Interest earning accounts earn interest at a variable rate, except time accounts. We may change the interest rate for variable-rate accounts at any time. The interest rate may vary depending on your daily balances.

How do we calculate earned interest?

We may use either the daily balance method or the average daily balance method to calculate interest. Unless we have specified otherwise in writing, we will use the daily balance method to calculate interest. The daily balance method applies a daily periodic rate to principal each day.

The average daily balance method applies a periodic rate to the average daily collected balance for the period. The average daily balance is calculated by adding principal each day and dividing by the number of days in the period.

If your account is a tiered-rate account, we may pay the same interest rate on more than one tier.

When does a deposit begin accruing interest?

Cash deposits begin accruing interest the same business day a deposit is credited to your account. If you deposit an item such as a check, interest begins accruing on the business day we receive credit for the item.

Is interest compounded and when is it credited?

Interest will compound on a daily basis. For checking and savings accounts, interest will be credited on a monthly basis. For time accounts, we will notify you separately as to the frequency with which interest will be credited to your account.

Can I specify a target balance on my accounts?

Yes. If you maintain multiple accounts with us, you may, with our consent, designate in writing one of these accounts as your "principal account" and one or more additional accounts as "target balance accounts." For each target balance account, you will separately specify to us in writing the ledger balance or collected balance which you wish to maintain in that account (the "target balance"). At the end of each business day, we will determine the applicable balance on deposit in each target balance account. If the applicable balance in a target balance account is greater than its target balance, we will transfer to the principal account the funds necessary to bring the applicable balance to the target balance. If the applicable balance is less than the target balance, we will transfer to the target balance account the funds necessary to bring the applicable balance to the target balance. We may, but will not be required to, transfer funds even if the transfer would create an overdraft or exceed the collected balance on deposit in the principal account.

When are interest adjustments disclosed in your account statement?

An interest adjustment may be reflected on your account statement in a month later than the month in which it occurs.

What is the difference between Annual Percentage Yield (APY) and Annual Percentage Yield Earned (APYE)?

- The Annual Percentage Yield (APY) is a percentage rate reflecting the total amount of interest paid on an account based on the interest rate and the frequency of compounding for a 365-day period.
- The Annual Percentage Yield Earned (APYE) is an annualized rate that reflects the relationship between the amount of interest actually earned on your account during the statement period and the average daily balance in the account for the statement period.

We calculate both your APY and APYE according to formulas established by federal regulations. The APYE appears on your account statement.

Do we have the right to require 7 days written notice before you withdraw money from your savings account?

Yes. We have the right to require 7 days written notice before you withdraw money from your savings account.

Regulation D savings account transaction limit and other limited activity

Regulation D and Wells Fargo limit certain types of withdrawals and transfers from a savings or money market account to a combined total of 6 per monthly statement period (exceptions to the statement period may apply).

Limited by Regulation D:

- Transfers by telephone using our automated banking service or speaking with a banker on the telephone.
- Transfers or payments through online, mobile, and text banking (including Bill Pay and person-to-person payments such as *Zelle*®).
- Overdraft Protection transfers to a checking account.
- Pre-authorized transfers and withdrawals (including recurring and one time).
- Payments to third parties such as checks, drafts, or similar transactions (counted when they are posted to your account and not when they are written).

Limited by Wells Fargo:

- Transfers and payments to Wells Fargo credit cards, lines of credit, and loans.
- Outgoing wire transfers whether made in person, on the telephone, or online.

Not limited

Except as limited above, there are no limits on withdrawals or transfers made in person at a Wells Fargo ATM or banking location or on any types of deposits.

What happens if you exceed your limit?

If you exceed the limits stated above, you will be charged an excess activity fee (\$10 per excess transaction).

If the limit is exceeded on more than an occasional basis, Wells Fargo may be required to convert the savings or money market account to a checking account, or close the account.

If the withdrawal and transfer limit is reached, we may decline withdrawals and transfers for the remainder of the monthly statement period (exceptions to the statement period may apply) to help you avoid a fee and account conversion or closure.

Time Accounts (CDs)

What are time accounts?

Time accounts include deposits which are payable at the expiration of a specified term, no less than 7 calendar days after the date of deposit. We may also refer to a time account as a CD or a Certificate of Deposit, even though we do not issue a paper certificate when opening the account or require a paper certificate to close the account. The time account's maturity date is the last day of the term for the time account. The maturity date is printed on your receipt.

When can you withdraw funds from your time account?

You may withdraw funds from your time account on the maturity date without a penalty. You may also generally withdraw funds without a penalty within the 7 calendar days after the maturity date (grace period). You may be charged a penalty if you make a withdrawal at any other time.

How is the early withdrawal penalty assessed?

If you withdraw funds from your time account before the maturity date, an early withdrawal penalty will be assessed. For terms:

- Less than three months (or less than 90 days), the fee is one month's interest.
- Three months (or 90 days) through 12 months (or 365 days), the fee is three months' interest.
- Over 12 months through 24 months, the fee is six months' interest.
- Over 24 months, the fee is 12 months' interest.

The minimum fee is \$100.

The early withdrawal penalty is based on the principal amount withdrawn, at the interest rate on your time account at the time of withdrawal. For purposes of determining the amount of the early withdrawal penalty, one month's interest is equal to one year's interest - at the interest rate in effect at the time of withdrawal - divided by 12. The amount of the early withdrawal penalty is deducted from earned interest. If the penalty is greater than the earned interest, the difference is deducted from the principal. In no event will the early withdrawal penalty for a withdrawal during the first six days after the date of deposit be less than seven days' simple interest.

Can you deposit additional funds into your time account?

You can only deposit additional funds during the grace period.

Will your Annual Percentage Yield (APY) change if you withdraw interest before maturity?

The APY we disclose to you assumes the interest you earn will remain on deposit until your time account matures. If you withdraw your earned interest before maturity, your account will earn less interest over time and the actual APY will be less than the disclosed APY.

How does your time account renew?

Your time account will automatically renew at maturity:

- Typically for a similar term unless we inform you prior to maturity of a different term; and
- At our interest rate in effect on the maturity date for a new time account of the same term and amount, unless we have notified you otherwise.

Electronic banking services

Fund transfer services

The following terms and conditions apply to funds transfers to or from your account. These terms and conditions are in addition to, and not in place of, any other agreements you have with us about funds transfers. The terms "funds transfer," "funds-transfer system," "payment order," and "beneficiary" are used here as defined in Article 4A of the Uniform Commercial Code, as adopted by the state whose laws govern this Agreement.

Rules of funds transfer systems

Funds transfers to or from your account will be governed by the rules of any funds transfer system through which the transfers are made, including Fedwire, the National Automated Clearing House Association, the Electronic Check Clearing House Organization, any regional association (ACH), the Clearing House Interbank Payments System (CHIPS), the Society for Worldwide Interbank Financial Telecommunications (SWIFT), and the RTP system (RTP System).

We are under no obligation to honor, in whole or in part, any payment order or other instruction that could result in our violation of applicable law, including requirements of the U.S. Department of the Treasury's Office of Foreign Assets Control and the Financial Crimes Enforcement Network.

Sending funds transfers

In acting on your transfer instructions, we may use any means of transmission, funds transfer system, clearing house, or intermediary bank that we reasonably select.

Notice of funds transfers

We will notify you of funds electronically debited from or credited to your account through the account statement covering the period in which the transaction occurred. We are under no obligation to provide you with any additional notice or receipt.

Reliance on identification numbers

- If a payment order or other instruction to transfer funds describes the party to receive payment inconsistently by name and account number, we may make the payment based on the account number, even if it identifies a party different from the named recipient.

- If an instruction or order to transfer funds describes a participating financial institution inconsistently by name and identification number, we may rely on the identification number as the proper identification of the financial institution.

Duty to report unauthorized or erroneous funds transfers

You will exercise ordinary care to determine whether a funds transfer to or from your account was either not authorized or erroneous. You will also notify us of the facts within a reasonable time, not exceeding 14 days after you have received your account statement from us on which the funds transfer appears or you otherwise have notice of the funds transfer, whichever is earlier. You must notify us within 14 days to be entitled to a refund from us. If you do not notify us within 14 days, we will be entitled to retain payment for the funds transfer.

Erroneous payment orders

We have no obligation to detect errors you make in payment orders - for example, an instruction to pay a beneficiary not intended by you, or to pay an amount greater than the amount you intended, or a transmission of a duplicate payment order previously sent by you. If we detect an error on one or more occasions, we will not be obligated to detect errors in any future payment order.

ACH transactions

In addition to the other terms in the Agreement, the following terms and conditions apply to payments to or from your account that you transmit through an ACH:

- Your rights for payments to or from your account will be based on the laws governing your account.
- When we credit your account for an ACH payment, the payment is provisional until we receive final settlement through a Federal Reserve Bank or otherwise receive payment.
- If a payment is credited to your account and we do not receive final settlement or payment, we are entitled to a refund from you for the amount credited to your account.
- You authorize any Originating Depository Financial Institution (ODFI) to initiate, according to ACH Operating Rules, ACH debit entries to your account for presentment or re-presentment of items written or authorized by you.

Reversal or return of ACH transactions

Under the ACH Rules, we can return any non-consumer ACH debit entry as unauthorized until midnight of the business day following the business day we post the entry to your account. (For example, if we post the entry on Tuesday, we can return it up to midnight on Wednesday.) For us to meet this deadline, you are required to notify us to return any non-consumer ACH debit entry as unauthorized by the cutoff time we separately disclose. The cutoff time is currently 3:00 PM Central Time. (In the example above, you would need to notify us by 3:00 PM Central Time on Wednesday).

If you do not notify us in a timely manner of the unauthorized non-consumer ACH debit entry, we will not be able to return it without the cooperation and agreement of the originating bank and the originator of the debit entry. Any other effort to recover the funds must occur solely between you and the originator of the entry.

Stop payment orders on ACH debit entries

You may request a stop payment order for an ACH debit entry that has not already been paid from your account. An "ACH debit entry" is an order or request for the withdrawal of money from your account through ACH. To be effective, a stop payment order must be received in a time and manner that gives us a reasonable opportunity to act on it. If you provide oral instructions to stop payment on an ACH debit entry, we may require confirmation in writing. If that written confirmation is not received, we may remove the stop payment order after 14 days. An instruction to revoke a stop payment order must be received in a time and manner that gives us a reasonable opportunity to act on it.

To place a stop payment order on an ACH debit entry, you must provide:

- Your account number,
- Amount of the ACH debit entry,
- Effective date of the ACH debit entry, and
- Name associated with the originator of the debit entry.

We may request additional information and may use only a portion of the required information to identify the ACH debit entry. We may be able to place a stop payment order based on the company identification number of the originator of the ACH debit entry, but this may stop all ACH entries received from this sender.

Additional information on ACH debit entries

Any information provided by you that is incorrect or subject to change (for example, if the originator changes its company identification number or individual identification number) may result in payment of the ACH debit entry. You acknowledge this risk and agree that you are responsible for notifying the originator of the ACH debit entry that your authorization has been revoked. You agree to indemnify and reimburse us and hold us harmless from and against any loss incurred by us as a result of our paying an ACH debit entry if any of the information relied on in the stop payment order is incorrect or incomplete (or as a result of us not paying an ACH debit entry for which a valid stop payment order is in effect).

Receiving RTP payments

The following additional terms apply to any real-time payments we receive for credit to your account through the RTP System. The terms "sender," "receiver," and "sending participant" are used here as defined in the System Rules governing RTP payments ("RTP Rules"). In addition to the RTP Rules, RTP payments will be governed by the laws of the state of New York, including New York's version of Article 4A of the Uniform Commercial Code, as applicable, without regard to its conflict of laws principles.

- The RTP System may be used only for eligible payments between a sender and receiver with accounts located in the United States. You may not send or receive payments on behalf of any person or entity not domiciled in the United States. RTP payments that are permitted under the RTP Rules and our requirements will be considered eligible payments for purposes of this Agreement.
- RTP payments cannot be cancelled or amended by the sender. If we receive a message from a sending participant requesting return of an RTP payment received for credit to your account, we may notify you of that request. You are not obligated under the RTP Rules to comply with any such request for return of funds. Any dispute between you and the sender of an RTP payment should be resolved between you and the sender.
- If you do not wish to accept an RTP payment received for credit to your account, you may request that we return that payment to the sender. We may, at our sole discretion, attempt to honor that request, but will have no liability for our failure to do so.
- RTP payments are typically completed within 30 seconds of transmission of the RTP payment by the sender, unless the RTP payment fails or is delayed due to a review by us or the sending participant, such as for fraud, regulatory, or compliance purposes. Transaction limits imposed by the RTP System or sending participant may also prevent RTP payments from being received for credit to your account.

Selected services

Stagecoach Deposit® - ATM Deposit Only Card Service.

You may elect to use Wells Fargo's *Stagecoach Deposit®* Deposit Only Card Service by completing and returning to us the setup form for the service. This service allows you to make deposits to your account using a *Stagecoach Deposit®* ATM Deposit Only card ("Deposit Card") at a designated Wells Fargo® ATM ("ATM") or in a Wells Fargo branch.

When you make deposits at a designated Wells Fargo ATM, you will make those deposits according to the instructions we provide. You will gain access to the ATM using the Deposit Card and a Personal Identification Number ("PIN"); you assume the risk of misuse of both. We will provisionally credit each deposit to your account based on the amount you key into the ATM. Your ATM deposits are subject to the standard cut-off time established for the ATM into which the deposit was made and our funds availability policy applicable to your account. If the dollar amount of your deposit - as determined by us - differs from your total (as shown on your ATM receipt), we will send you a statement showing the amount of this difference. You agree that our count of the dollar amount of your deposit will be conclusive and binding on you. You will have full responsibility for each deposit and its contents until the deposit has been completely and physically accepted into the ATM. If you claim any portion of a deposit was lost or stolen while in our custody, you acknowledge that you have the burden of proving your claim. If you order supplies for the ATM Deposit Service through the ATM, you authorize us to initiate debits to your account and credits to the accounts of third party vendors to cover the cost of those supplies provided to you. Those transfers may be processed through an automated clearing house or any other means chosen by us, and will be subject to the rules of the funds transfer system used by us. Your authorization for the transfers will remain in full force and effect until we have received written notification from you of its termination in a time and manner as to afford us and any third-party vendor a reasonable opportunity to act on it.

Stagecoach Deposit® - Post Verify Service.

If you elect to use our *Stagecoach Deposit® - Post Verify Service*, you will prepare, package, and deliver Stagecoach deposits to us according to our instructions. We will provisionally credit your account for the currency shown on the deposit ticket enclosed in your Stagecoach deposit bag as follows:

- Same day credit for deposits delivered to one of our offices before that office's cut-off time on any business day we are open or for deposits placed in night depository before 6:00 a.m. on any business day we are open; or
- Next business day credit for deposits delivered to one of our offices on any business day we are open on or after the office's cut-off time or on any non-business day.

All Stagecoach deposits are subject to our acceptance and verification. We will verify the currency in your Stagecoach deposit bag either at a later time in our office or when your Stagecoach deposit bag is delivered to our cash vault. Checks will be verified when they are delivered to our check processing center. We reserve the right to adjust (debit or credit) your account if we determine that the amount shown on your deposit ticket is incorrect. Because the frequency of armored courier transportation from our offices to our vaults varies from office to office, the time it takes to verify your Stagecoach deposit may vary, depending on the office to which your Stagecoach deposit bag is delivered. In most cases, adjustments will be made and notification will be sent within three business days. Adjustments will be effective when they are processed.
